

WE ARE LOOKING FOR NEW *Aqua Instructors!*

If you...

Have ever thought about teaching aqua?

Are currently a land instructor who wants to make the transition to the pool?

Are an aqua fitness participant and are ready to take the plunge into teaching?

Join us at a training

Then we will...

Give you everything you need to succeed: The music, moves & cues!

Start teaching WATERinMOTION® immediately after your 2 day certification. You'll receive a DVD packed with choreography and music with all the musical phrasing and verbal cues. It's a system that guarantees your success as an aqua instructor!

WATERinMOTION® is a pre-choreographed, quarterly release aqua exercise workout that provides a low impact, high-energy challenge for participants of all ages, skill and fitness levels. With land equivalent intensity, fantastic sing-along music, and dynamic instructors, enjoy the pure fun of this 55 minute water extravaganza.
