WATERinMOTION® stays true to the fundamentals of aquatic fitness while incorporating choreography that is unique and pre-formatted to specifically match water tempo music. Even instructors find these more challenging tracks refreshing. The difference between WATERinMOTION® and other aqua fitness classes are innumerable. The integrity of this program, however, is maintained and respected with each new movement installment. WATERinMOTION® is at once similar to and different from any other aqua class you have ever experience and it is renewed 4 times a year in licensed facilities! Intelligent, ingenious movement prescribed to inspiring music frees instructors to integrate WATERinMOTION® seamlessly and reach a wide variety of audiences.

V1	C1	B1	V2	C2	B2	V3	C3	B3
----	----	----	----	----	----	----	----	----

Trainer's Tip: Instruct your students to stay low in the water so that only their neck and head is out of the water. This allows for two benefits: First, the shoulders are supported by the water and second, the student can work through a bigger range of motion and still take advantage of the water's resistance throughout the movement.
